Dear Author,

I hope your research is progressing well.

The Journal of Xidian University welcomes original research articles from researchers, practitioners, and academicians in multidisciplinary fields. The journal is Scopus approved, UGC approved, peer reviewed, and published monthly with open access.

If you are currently looking for a suitable journal for your work, you may find our publication scope and submission information helpful.

Journal website:
https://xadzkjdx.cn/

If you would like to explore whether your manuscript is a good fit, we would be glad to take a quick look.

Best regards,

The Journal Team
Journal of Xidian University
